Hi

Thanks for inviting me for the weekend.
How do I get to your place? What should I know about your family? How shall we spend the weekend?

See you soon.
Sandra

Script 1

Hi

It's nice to hear that you have accepted my invitation. I can pick you up right at your home. Is that allright with you?
My family is awesome, you will like it.
We are going to the concert first and then to the cinema.
Can't wait! See you

Stjepan

Task Completion: 5
All 3 questions are answered.
Q1: How do I get to your place?
   I can pick you up right at your home….
Q2: What should I know about your family?
   My family is awesome, you will like it……
Q3: How shall we spend the weekend?
   We are going to the concert first and then to the cinema…

Language: 10
The text is completely understandable despite minor errors (*allright*) and has a very good range of vocabulary and structures (*It's nice to hear that you have accepted…, is that allright with you…, we are going to the concert first and then to…, can't wait…*).

Script 2

Hi.
I hope some that you will come.
We will have a great time.
You can get to my place by bus.
It goes at eight o'clock from bus station
in Velika Gorica.
My family is very polite, there is no reason
to be worry about them.
I have surprise for you for a weekend.
You should get there.

Task Completion: 4
Questions 2 and 3 are answered, but Question 1 is not fully answered: it does not say how one can get to where the person actually lives; it just mentions the type of transport to take and where from (*You can get to my place by bus…, from bus station…*).

Language: 6
The text is understandable despite numerous errors (*I hope some that…, from bus station…, to be worry about…, I have surprise…, for a weekend…, you should get there…*). The range is sufficient.

Script 3

Hi Sandra

I'm really glad you exepted the invitation.
You can take the bus and I'll come pick you
up when you get here, so don't worry!
We'll go to the beach and then I'll show you
the city if you want, and in the evening
we'll go out with my friends.

See you
Alenka

Task Completion: 3
Questions 1 and 3 are answered. The student does not say anything about their family (Question 2). The script is underlength. It has 35 words and loses 1 point.

Language: 8
If the text gets 3 points on TC, it cannot get more than 8 on Language (see *Note* below *Scale* for explanation of ceilings).

Script 4

Task Completion: 2

Only Question 3 is fully answered. Questions 1 and 2 are not answered clearly because of language difficulties (*I go to you and diving to my places*… and *My family is happy because you came for me*…, respectively).

Language: 3

Due to numerous errors, the difficulty of understanding falls between a 2 and a 4 (*my places…, is in center city…, diving to my places…, we going to tennis mech and go… we go to my friends at party…*).

Script 5

Task Completion: 0

Questions 1 and 2 are not answered clearly. Only Question 3 is answered (*We going in Venice, enjoying the carnival*….). However, the answer is lifted from the Reading Paper (Task 5), so it does not count as an answer and therefore cannot get one point for TC. (The text is also underlength because the sentences …*I can't wait to tell you all about it*…, and the already mentioned … *in Venice, enjoying the carnival…,* are lifted from the Reading Paper (Task 5). Minus the lifted sentences, the script has 27 words).

Language: 0

The text is generally difficult to understand and the range severely restricted due to numerous errors (*No thanks you…, coming the weekend…, you going care…, not going travelled…, nothing may family…, is mot beed family*…). It would be given 2 points for Language, but because it does not answer any questions it is given 0 points.

Script 6

Hi Soncho

I'm place in Donji Miholjac. My family playing football in Orijek and not going to weekend. I'm weekend going dance and singer in caffe bar Mosline. How are you? Can you imagine a two-week holiday with no sun?

Bye

Task Completion: 0
The text does not answer any of the questions. Although place, family and weekend are mentioned in the text, nothing is really said about them (*I'm place in…, my family playing football and not going to weekend…, I'm weekend going dance and singer in caffe bar…*). (Also, the script is underlength. It has 32 words and if it had any points on TC, it would lose 1 point because the last sentence in the script, *Can you imagine a two-week holiday with no sun?*, is copied from Task 2 of the Reading paper).

Language: 0
A script that scores 0 on Task Completion because it does not answer any questions cannot receive more than 0 for Language.
