#### Questions 1-5

Mark your answer on the answer sheet.  
There is an example at the beginning (0).

**0 When you come to London, there's no need for you to book into a hotel. You can sleep at my place.**

- 1 You started it, not me, so it's you who should apologise to me, not the other way round.  
2 There's no need to feel sorry for me. It's happened to me many times before, so it's nothing new for me.  
3 I used to buy second-hand. Not any more. Take my advice and buy the latest model.  
4 You mustn't go there without me. I want to be with you when you get the news.  
5 You can come with me if you like, but I can do it by myself and you can stay at home and do something useful.

**A** You don't have to come.

**B** Let's go together.

**C** Get a new one.

**D** Don't come round.

**E** I'm used to it.

### Task 3

#### Questions 11-15

Read about Samuel Mennard. For questions **11-15**, complete the form with **one** or **two** words in each space.

Write your answer **only** here in this exam booklet.

There is an example at the beginning (**0**).

#### Samuel Mennard's tap-dancing

We talked to tap-dancer Samuel Mennard in his San Francisco home after his dance performance for the Oscar ceremony this spring. The dance was called *Gene-tic*. It was his task to honour the memory of the great dancer Gene Kelly. While Gene Kelly used to be presented as the *Hollywood Smile*, Samuel, known as *Rap-Tapper*, is a product of the rap culture: when he dances his eyes are closed, his body moves like a puppet and his arms follow a different rhythm to that of his feet.

He started taking dancing lessons at the age of ten, after seeing his first musical, *Funny Face*, by his favourite composer Ira Graves. Twelve years later, Samuel's talent seems to be at its peak. He's appearing this year on Broadway in his native New York in the show *Start Dancing*, the first he has choreographed and created with Peter Willis. It's the same stage that Fred Astaire, his all-time favourite, used to glide on.

The musical records the history of tap-dancing among black Americans. In the 18th century, drums were forbidden on the boats carrying slaves from Africa, so they used their feet to give rhythm to the black rebellion.

Not many people know that he started out as a singer performing in clubs to support his family. Samuel says: "It's been hard work getting where I am now, but when I dance, when I feel the rhythm in my veins, I know it's been worth it."

### Task 4

#### Questions 16-20

Read the information about taxis in China.

For questions **16-20**, choose from **A-F** to complete the sentences.

There is one letter you do not need.

Mark your answer on the answer sheet.

There is an example at the beginning (**0**).

#### Taxis in China

The best way to get about in cities that don't have a subway system is by taxi. Taxis are found in large numbers (**0**) G.

When arriving at airports, avoid the drivers who immediately surround you and instead head for the taxi rank outside, where you are less likely to be overcharged. Also, (**16**) \_\_\_\_\_, ask the reception desk to order a taxi for you. And always make sure the driver uses the metre.

Not many taxi drivers speak English, so it is wise (**17**) \_\_\_\_\_, which the staff at your hotel will gladly do.

Taxi fares vary slightly from city to city. In many cities, various models are available but (**18**) \_\_\_\_\_. Tipping the driver is not necessary.

Motorcycle taxis are a quick way to cover shorter distances, although they are really practical only (**19**) \_\_\_\_\_.

In smaller towns, bicycle rickshaws are a convenient way to get around town. In major cities, however, (**20**) \_\_\_\_\_. Don't forget to agree on the fare before climbing aboard.

Hi Sienna

I was thinking about our friendship and (0) **C** made it really important for me.

It's a great help having a friend (21) \_\_\_\_ going through the same things as me. You know, like quarrels with parents or boys who (22) \_\_\_\_ fun of me. You want someone who likes the same kinds of music and clothes, but not too much the same or it's boring. Someone who'll help me with my homework if (23) \_\_\_\_ need it.
